Beaver River GC is one of Rhode Island's most scenic and challenging public daily fee golf courses. The course presents a fun test of golf that makes the golfer use a variety of shots. Beautiful use of the existing terrain, Beaver River Golf Club offers spectacular views throughout the golf course.

Blackstone National GC

Rees Jones lent his genius to the design of Blackstone National Golf Club, a wonderful layout that is as close as you will come to playing golf in a nature preserve. Jones designed the course to blend in perfectly with the surrounding natural environment. There are only a few forced carries and the fairways are wide. There is ample bunkering that protects the medium-sized greens. Each hole at Blackstone was built so as to give the impression that the player is alone on the course

Don't let the lack of length on the scorecard fool you... #8 may be a 260 yard downhill par-4, but a bogey is almost guaranteed.

Foster Country Club, Foster, RI
